Ryan:

Your Freedom of Information Act (FOIA) Request was put on Complex Track on April 21, 2014 with a due date of June 30, 2014. With being on Complex Track if there is a need for more time, to let you know and give you another date to have the response by. I wanted to let you know that your FOIA is still being worked on for searching/Reviewing a voluminous amount of documents, the new date will be September 30, 2014. Thank you.
